

“ The seeds of where I am today have been planted in APA college and I am grateful for that. The dynamic staff members from Commerce and my alma mater nurtured me to attain high steps in my life and I am brave and confident enough in every aspect of my life. I feel proud to say that, I was a leaf among the huge tree of "APA college”

**Principal,

“ My days in APA college is will always be as most valuable and precious memory with me for ever. I was learnt, groomed and become competitive to face the new challenges of life only due to the knowledge and motivation provided by the department of commerce. Whatever Good I achieved so far, is because of relentless support and guidance of my professors”.
