

PLACEMENT CELL

The Placement Cell of Arulmigu Palaniandavar Arts College For Women has been assisting the Under Graduate & Post Graduate students from various departments in paving a way to their career. It is dedicated to shaping the future of every student. It builds and maintains a healthy database of the companies who visit our institute every year to recruit our young talents.

Vision

To empower students with essential professional skills and guide them towards successful careers in the corporate sector with high employability skills, higher education, or entrepreneurship.

Mission

- To provide systematic training from first year, focusing on employability skills.
- To guide students in career planning, competitive examinations, higher education opportunities and entrepreneurship.
- To build strong industry–academia collaborations for effective placements and internships.

Objectives

- To guide students on career choices, higher studies, and entrepreneurship opportunities.
- To facilitate internships, industrial visits, and training programs in collaboration with reputed industries.
- To provide on-campus recruitment drives and off-campus opportunities for students.
- To act as a link between students, alumni, and the corporate sector and improve placement benchmark, year after year.

Placement Cell Officers:
